## CASH DISCOUNT PROCESSING

bye-bye card fees!

What's Cash Discount Processing?

...it's simple

A small service charge is added to every sale for customers paying with a credit or debit card. For customers willing to pay with cash, that service charge is removed and you still receive the full purchase price. That small service charge covers ALL your processing costs, reducing your monthly fee to \$0.00\*

	Traditional Fees	New Fees
Monthly Sales	\$99,000.00	\$99,000.00
Card fees	(\$1881.00)	\$0.00
Admin fees	(\$100.00)	\$0.00*
Total Cost	(\$1981.00)	\$0.00
Settled amount	\$ 97,019.00	\$99,000.00
Annual Cost	(\$23,772.00)	\$0.00*
